General ordinance of separation and quarantine to protect other people from Coronavirus

To all employees of company Tönnies

Located In der Mark 2, Rheda-Wiedenbrück, 33378

Due to § 28 Abs. 1 S. 1 and § 30 Abs. 1 S. 2 of the infection protection law (IfSBG-NRW) the following general ordinance is issued:

1. All employees of company Tönnies, located in Rheda Wiedenbrück, who live in the district of Kreis Warendorf, have to separate themselves into quarantine immediately. They have to stay in quarantine until July 3rd 2020. This applies for all direct employees of Tönnies as well as for all employees of subcontractors who work at the same location.
2. People living in the same household as an employee of Tönnies or a subcontractor have to separate themselves into quarantine as well.
3. They must not leave their apartments without the permission of the health department of Kreis Warendorf during quarantine. They are not allowed to be visited by other people who do not live in the same household.
4. This ordinance can only be lifted in an exceptional case by the health department of Kreis Warendorf. There have to be sufficient information about the status of health and if there had been contact to an infected person.
5. All employees of company Tönnies or a subcontractor and the people living in the same households have to tolerate Covid-19-tests of Kreis Warendorf or Kreis Gütersloh.

6. If the tests take place on the Tönnies site, they are allowed to go there directly without any stops. They are not allowed to use public transport.
7. If the employees of company Tönnies or a subcontractor and the people living in the same households have been tested after June 16th 2020 and **have no symptoms**, they are allowed to go to the Tönnies site directly without any stops. There, they are allowed to work in the production department.

This general ordinance is enforceable due to § 80 Abs. 2 Nr. 2 of the Rules of the Administrative Courts (Verwaltungsgerichtsordnung) and §§ 28 Abs. 3, 16 Abs. 8 IfSG.
